

# Family Portraits

You may choose to have your session in our studio or a location of your choice. Each session is up to an hour and includes multiple poses. All photos are fully edited and uploaded to an online private gallery for ordering.

- Our studio can accommodate families up to eight, larger groups work best outside
- Pets are welcome!
- Coordinate clothing — solid colors look best
- Jeans and barefoot works great
- If you have young children, be sure to pick a time of day that's best for them
