

Downtown Spokane

Britton | PHOTOGRAPHY

Downtown Spokane provides a more urban/grunge-style background for your photos. We shoot in the area around the train bridge on Monroe St., which offers a variety of different backgrounds in a fairly close area. If you're coming from the north, just head down Monroe St. until you reach Far West Billiards and the Catacombs at the intersection of 1st Ave. and Monroe St. Our usual parking area is right behind those. If you're coming from anywhere else, take Lincoln St. and circle around on Sprague Ave.
